Hello everyone,

Here you can see what I'm looking at from my home in Kvernaland, =
Norway right now about 9.45.PM. I have some wonderful pictures when the =
sun is going down from the same place, if someone want to see them too.
I lived on this place from '70 'till '84 and travelled back this =
spring to be with my grandchildren and children again in the same area =
where they grown up.

The Northern sea/Nort Atlantic Ocean is showing up in the sunset about =
6 miles
from my window. The lake in the middle is Froylandsvatnet.

Best

erlilo

i had "i want to be a clone" and "meltdown" when i was in elementary school.

meltdown was a great album if you ask me.

here is some trivia for ya.....

who is playing bass on "i want to be a clone".... you know the intro.... "da ga da ga da ga da ga dun, da ga da ga da ga da ga dun,....."

;-)

----------010200070203000709010405--Unfortunately name calling was there pretty much from the start, and,
with unintended irony, a bit of projection. Some of it has been entertaining yet at times appalling, like getting sucked into a cheesy reality TV show, pandering talk radio or overblown pro wrestling. If this keeps up Kim's little corner of the web will start getting traffic and he'll get rich on the Google ads.

We've heard several points of view but nothing like the whole picture. A certain amount of people talking past each other, answering arguments not made, ignoring arguments made, knocking down straw men invented. Battles of mythology, parroting of talking points, misuse or lack of data, and blind superior certainty. In short, a typical internet political discussion.

And yet a certain amount of listening, that part is always encouraging.

Cheers,
-Jamie K

silly to rate topic-quality, so I do not really care to engage this

on other forums, and until someone started calling people idiots
and nazis, it was doing pretty well, even if you did not get the
results you preferred.

Have a good weekend. I'm off to a concert shoot for the Warped Tour
tomorrow...

Beautiful Dave. When seeing this, you got me thinking on travellings I =
had in some of the Norwegian mouintains a teenager or two years ago. =
Like these, standing on Prekestolen about 15 years ago. 3 feets behind =
me, there's just about 2000 feet right down in the fjord. My 5 years =
older brother took the picture.

Hope Kim have enough place on his server for all these graphical stuff =
and that most of us have more speedy modems now.

------=_NextPart_000_0032_01C58ABF.F9501990--I was seeing a DVD movie yesterday well worth to see for all of you. I think
plenty of you allready have seen it, but I couldn't help of thinking on our
political discussions here between all my laughings and tears. I know the
film was nominated for an Oscar and 2 Golden Globes when it came out and
it's well worth them all in my thoughts. But I don't know if they won any at
all.
"My big fat Greek wedding" is the title.
