da converter ,just tried it to hear it.
Most of you know that this is world class.
I am selling because this is a modular system ,accepts more AD/DA and micpreamps
from Lavry which I won't need.
Secondly I only do 44.1khz so this is 96khz capable system and I have won
a 44.1khz used Mytek from ebay so I cannot keep both.
I am sure that this will sound a little better than the mytek but I believe
this won't be much while mytek have a great reputation too...
Please make ma an offer...
This unit has the modular 1u case and one da module installed so it can be
