Hi

How do you people sync paris 3.0 with your midi stuff?
I wanna have a midi clock slaved to paris or paris slaved to midi.

Regards,

Dennis

Midioverlan, its awesome. Dimitrios turned me on to this one. Basically, if your 2 boxes are connected to a network, install this app on both and tell Paris to send MTC via this app, then in other box, set to receive MTC via the app, works great.

Good luck
Rob

Hi Robert

I basicly need a tool witch converts MTC to Midi Clock.

Regards,

Dennis

Hey dennis,
Are you syncing two computers or two programs within one?
