FYI, Buy a new Mac and get a free iPod and printer after rebates***

I mentioned in the past that there is a Apple promotion for students that starts around August, but they have already started it. When you buy a new Mac (excludes the Macmini) and an iPod there is a \$179.00 rebate. Also, if you buy a printer there is a \$100.00 rebate. Essentially you get a discount on the computer, a free iPod and printer. You can also purchase a better model and the rebates apply.

You have to be registered for a class to be eligible. The promotion goes through September 17th.

James
