hey everybody. i moved to portland, oregon a few months ago and am looking for some studio work. i can play a lot of instruments and sing, but am mainly looking for work as a drummer because i can hang with just about anybody on the drums. if you know anybody out here who may be in need please send them my way.

davidevanmusic@yahoo.com

you can hear some samples of my drumming at these two sites, though i do have a wider range. i can play in many styles and time signatures and have a large dynamic range.

Hi David,

Welcome to Portland. We're very happy with our drummer ([www.sarahtonin.com/wayward.htm](http://www.sarahtonin.com/wayward.htm)), but I saved your links, in case I hear of anyone looking. Now if you were a singing bass player . . .

Hey David,

Welcome to sunny Portland.

I suggest that you place an ad in Willamette Week and the Portland Mercury (both free) re: the work you're seeking. It's a good way to get started.

You can see my band this Friday evening at Fryar Tuck's Cider Mill at Capitol Highway and Vermont in the Multnomah Village area of Portland. We play from 9:30 to 12:30.

Best of luck!

Mark
