Are these going to have hellfire missles slung under the fuselage? That's going to be the next big debate.....once that's settled we're gonna see video games with people being sauteed while swimming across the the Rio Grande River.

serious biz. Amongst that though, I had to bring up this little jewel of comic relief:

Deputy Homeland Security Secretary Michael Jackson said this year he wanted the companies "to come back and tell us how to do our business."

So THAT is where he went after the trial.
