Hello everyone,

Here you can see what I'm looking at from my home in Kvernaland, =  
Norway right now about 9.45.PM. I have some wonderful pictures when the =  
sun is going down from the same place, if someone want to see them too.

I lived on this place from '70 'till '84 and travelled back this =  
spring to be with my grandchildren and children again in the same area =  
where they grown up.

The Northern sea/Nort Atlantic Ocean is showing up in the sunset about =  
6 miles  
from my window. The lake in the middle is Froylandsvatnet.

Best

erlilo
