Hi folks - if you have an 8i card and/or an ADAT card for sale (and are within reasonable shipping distance of 98281), shoot me an email and let me know how much you'd like for them. Thanks in advance!

- Kerry

Hi Kerry,
I have 2- 8 channel input cards for sale.
Do you still need one ?

cheers
Mike

Just received my 8is from Mike today, but would love to talk about the ADAT card - will PM.
