Hi Guys,

I have a nearly perfect Godley/Creme Gizmotron that I have had in storage forever. Used it once in the early '80's. It's the six string model. Anyone know what one of these is worth or where I might be able to find the value? It's a real collectors item but I'm upgrading my stuff and can't afford collector's items if I want to get new toys.

Thanks Mucho,
Jon
