She should go commiserate with Dexys Midnight Runners. I'm sure they'd really feel for her.

I agree with you. But, I think this has more to do with the whole American Idol star thing than anything else.

Also, with acts like the Pussy Cat Dolls and the Beyonce's the Ultra-Sex kitten thing is in full overdrive.. Kelly is more of the girl next door type..

She's a darn good singer, but she's gone so dark and angry. I think she made some bad choices about direction and lost her fan base. Maybe she will pull out of it.
