Hey all,

No big deal in any way, but my band got nominated again in another best music poll.

We seem to get this every year in one of the RI mags, but we never win!

I'll be 72 by the time I do,

So, I'm rocking the vote.

If anyone has a free minute here's the link

<http://www.motifmagazine.net/poll/>

The catagories are best band (alterntative) and best Male Vocalist (Alternative)

My band is called the Blizzard of 78 and our Frontman got the nod too for vest lead vocalist his name is Pip Everett.

One of our friends is nominated in Roots male vocalist catagorie his name is Eric Fontana, if you need to knwo who else to vote for.

If you want to learn before you vote:

<http://www.theblizzardof78.net>

Again, no big deal, I sort of side with John Lydon on these things,
But any exposure for us is important as we have a new CD coming out.

Thanks!

What Chris so modestly didn't mention is that he engineered and produced almost all of the songs on the album in his home Paris based studio.

Phil, by the way, we cut 8 new basic tracks in 2 days, the drums sound is frigging giant! Let me know when you need to do more drums for your stuff. I may need to rent your receptor soon, call me tomorrow.

Cujo,

I placed a vote for Blizzard and your singer today.

Good luck! Maybe I'll come see you play, I'm nearby.
