I lost your e-mail address a recent computer crash. Here's a link to MP3's of my old bandmates.

You had commented in the past on how you liked the music. This is the first time their music has ever been available for download.

Scroll down to Space Opera. the first album was recorded in 1972. The second one in 1998. It's fun to hear this stuff and remember when we used to try to make a living covering only Byrds and Beatles material.

On the second album, I'm especially smitten with Mother Nature-Father Time, Stolen Ground, Vieux Carre and Blavatski.

I'm in the beginning stages of working with the surviving members of the band with some new material.

Enjoy,

Deej
