OK, well, nothing like being able to plan ahead. Sheesh...

So, there's this live show, see? It's THIS Sunday, see? And I've got a piano, a cello, a soprano singer, and either a flute or a clarinet (depending upon which piece they're playing) to record and put into a PA...!

What microphones should I look at begging, borrowing, or buying to use in this situation? (All I have right now are a couple MXL 603S Mogamis and an SM57 Beta...)

Thanks for any suggestions!

Doug
