No, not sausage links... links to your WEB PAGES!

I'm in the process of updating my website & I'll be happy to include any/all of y'all's websites on my "links" page, so e-mail the URL & a description of who you are/what you do, and why the fuck anyone should click through to you lol.

A scant few of you are on here already... check yerselves out & makes sure the links aren't dead/have changed/been terminated for lack of payment to your ISP, etc.

E-mail me the links & info at:

Great idea Neil. This is guerrilla internet marketing. If I might suggest it, why not any of us who are promoting something post our websites to the group, so we can all raise our rankings and increase clicks. This is really a case where there is strength in numbers and every one who adds your site to theirs makes yours and secondarily those you link a little bigger in reach.

Here are mine: <http://www.billlorentzen.com> <http://www.kaleidoscope.ws>

As long as you are not doing anything nefarious and your site is music related, I welcome you to link to mine.

Yeah, wow, amazing. You are the Artguy. Love the landscapes. But please, if you get any strange urges to cut an ear off, or any other body part, please . . . call someone first, OK?

Holy crap Steve. I saw some of your murals a while back and they were very good, but either you were sandbagging or you got way the hell better. This work is very, very beautiful. I would love to have your paintings and murals in my house.

My cousin is a well-known painter in Norway. Her house on the OSLO Fjord is like a giant mural.

well, thanks, I think!

I hereby make a special current or present Paris users' offer-

I will paint a mural in your studio or house for a pittance if you pick up the expenses. There. I said it.

Exact definition of "a pittance" to be decided... make me an offer.

I love painting them things.

Guys, I need a description of some kind to put in there, and I need the link & info e-mailed to me as I said at the start of this thread... these threads move too fast for me to be backtracking & finding this stuff.

Here's who's up there so far - if you don't see your link, then e-mail it (and a brief description) to me at:

neil DOT henderson AT sbcglobal DOT net

Mostly I do piano/organ/keys stuff for hire, but here are links pertaining to my solo stuff:
WWW.Philaiken.com
www.myspace.cpm/philaiken

The myspace link is actually more informative, has a list of a bunch of the artists I've played with as a sideman, and some mp3's.....
