I have (2) C16's with cables, (2) EDS-1000 cards with connecting cable, (1) Mec 442 for sale. Would like to sell as a package for 650.00 OBO. I will break it up if necessary. Price includes shipping within USA. Thanks
Caesarhi,

i'm selling my blackface ADAT card, it has been installed in my MEC for the last few years but never actually used. i bought it in order to sync up Paris with DP, but then found out that PARIS cannot slave to ADAT sync.

it comes with the original box and manuals.

\$200

please respond to jackklos at gmail dot com.

thanks.1 EDS gone 2 left - thanks Torry :)
