I was enjoying the CD of music from my folks that live on my block, they gave me a CD the other day. Looked at the liner notes and it was recorded by none other than Gantt @ Gizmo studios (on paris no less:-) !

Oh yeah. I sold a couple of old mics on ebay. Winning bidder?

A Paris guy. (I hadn't heard of him before)

I was looking to upgrade my Paris machine and asked ADK systems if they'd build a Paris box. Who shows up to answer questions? Our own Chris Ludwig who is very knowledgeable and helpful. Small world indeed. Paris connects.
