new studio live room with the 2nd floor of the house.

Sunsets are fantastic and conducive to music making.

Well I've lived all of my 47 years within an hour's drive
of TO...

(Also the studio is NW of TO, not NE)

Ted -

The studio looks like it will be a nice space to work and play. Keep the progress photos coming.

FWIW, I lived in Toronto growing up. We live in 3 apartments off Yonge Street. First at Sherbourne and Wellesley, the second just south of Yonge and St. Clair, and finally just north of Yonge and Eglinton. I lived there from '68 - '74 and attended grades 3 thru 9. My father taught at UT and retired from there in the early 80s.

Just be glad you're not living at Sherbourne & Wellesley now...
Although on the East side (Cabbagetown) It's reno/upscale.

Mike Audet of course lives in TO too.

Peace.
