Hi Nikodemos,
I am interested in an 8 out card when you're ready.
From Greece I can afford \$75 + shipping and insurance.
I can do PayPal.
Cheers,
Tom

news:4753c89e\$1@linux...

I am selling a complete Paris system (2xEDS, MEC, 2408in, 2408out, =
C-16,IE442).The
system is working and has no problems.
I'm in Greece but i'll ship worldwide. Shipping cost to the buyer.
I would prefer to sell as a whole, but if needed i'll consider =
splitting
it up. Asking price is about 1000 usd, 850 euro but please make an =
offer.
I really love Paris and how it sounds but this is a commercial project =
and
i had to move on....

Nikodemos
