Hi All,

I've just posted my shinny, new multiband compressor for PARIS. It's a combo of the X-Over and the PARIS Compressor, stitched together is EDS assembler for your mixing and mastering pleasure. I wish I'd had this thing for the last 10 years when dealing with boomy acoustic guitars.

As always, you can download it at www.ensoniq.ca. Just scroll down to the bottom of the page.

Please let me know what you think of this one. I'm dying to hear how/if these plugins are being used.

Also, please send me \$\$\$\$\$! I'm broke, and I need to get my girlfriend a ring!!!!

Cheers!
Mike
