(0) 8 Outs. (they have both been spoken for now).
All three Wedges may be gone. I'm holding them until I hear back from Paul.
I'm not sure if the guy in England wanted to risk shipping or not for the
EDS card, so I'm not 100% positive if it's staying or going right now.

Everything else on the list is still available.

I also have a Sonnet Crescendo 800mHz G4 processor upgrade if anyone's interested in that...

Jay

PS Please try and reply via email. I am getting quite a few messages but it would make it a tad easier then going back and forth. ;)

So here's the updated list:

(2) Black Face MECs \$250 2 still available
 (Original boxes)
 (1 missing two face plates & a funky-ish original box)
(1) EDS 1000 (Original box) \$250 back on the list, no follow through
from buyer.
(1) EDS 1000 (Original box) BO has two melted components, AS-IS.
(1) C-16 (Original box) \$125 still available, again - no follow

through.

(6) 8 Ins (Original boxes) \$325 all 6 still available, no interest yet.

(2) 8 outs (Original boxes) \$325 2 sold - 0 left

Other goodies: (All have original boxes and manuals)

(1) MOTU MTP AV (Serial) \$75 - 8 MIDI ports

(3) Alesis Wedges \$75 - all 3 are back, never heard back from buyer.

(1) Electrix MoFX \$150

(1) Electrix Filter Queen \$125

(1) Behringer PX-200 \$25 - this is an unbalanced patch bay.

I'm also evaluating the usefulness of some keys and sound modules right now.

Possible upcoming Roland D-550, Roland Juno-2, Roland MKS-50, (2) Boss SE-50, Roland D-70, Quasimidi 309. Unsure right now.

Ask Morgan from East Coast if you need a reference. :)

PayPal is cool with me and actually preferred.

Please take into account any shipping costs. I will ship via UPS ground unless you specify otherwise.

Replace diespam with jaybelton to reply.

Stick music DOT before the domain name and DOT com after to get to my site if you want.

Hi I have 3.0 for sale. What is your offer?

thanks I forgot to add two things to this list that would like to be adopted by a new owner.

(1) Sonnet Crescendo

PCI G4 - 800mhz \$250 OBO Original Box

(1) Yamaha TX-81Z \$60 Original Box, Manual and "Sound Book."

Everything else is still around. I also forgot to mention that these items have lived with me in a smoke-free recording studio. These items have never left the studio when in my possession.

Thanks again,
