I have for sale my remaining Paris gear. I have downsized my recording needs and this is the last of my Paris gear.

EDS1000
C16
IF2
442

I'll sell the lot for 225.00 plus shipping.
If there are no takers for the bundle I'll consider selling separately.

I can also be contacted off list at:

Hi,
I am Dimitrios from Paris forum.
Would you consider any trade for the EDS1000 card ?
Regards,
Dimitrios

Trades are possible but I'm pretty good with mics at the moment.
I'm also open to just selling the EDS card.
