For the last few days I can't seem to get on the newsgroup. Did I miss something? Is it no longer there at this address?

Hey Lou - Kim's PARIS NG has been AWOL for two months now. As far as I know, nobody's heard a word from Kim; we're quite concerned. I'll post news here as soon as I have any to report.

Wow! You stay away for a spell, and you loose track! Hope all is well with Kim. I will check here from now on.

I didn't realize it had been that long. I just noticed that the last few times I went there, I couldn't connect.

Thanks guys
Lou
