For anybody interested, check out my remixes of Beastie Boys tunes. All fully mixed and edited on Paris of course... ;o)

<http://beastiemixes.com/remixer.php?id=72>

Let me know what you think. 3 of the are far more "techno/electro" than I normally go, but I was kinda asked to do them that way. Anyhow, I'm after your opinions, not mine...

Cheers,  
Kim.
