000        \$225  
Black face MEC \$225  
Adat card     \$200  
IF 2         \$25  
Black Control 16 \$200

Actually everything's mint. Although I got into Paris back in the Summer of 98, I bought this system for my home setup in 01 and it never really got much use. I do mostly post work now.

Anyhow, let me know if anyone's interested. I'll do \$775 for everything and eat the shipping. Thanks.

thx

Jessel would go \$650.00 for everything. Let me know. if it wont sell i will work with you. Paris is basically dead and very few people are using it.just no future in this system.a few of us are still using it for now.
