3 weeks with no new post (not counting classifieds).

This has to be a record.

Hope everyone's good.

Hey Ted

I'd doing fine.

Lot's of work at the new studio. We're using Reaper fed by RADAR V into an RME 9652 with 4 loaded UAD cards and various waves plug-ins driving a pair of ADAM P33 monitors.

Haven't touched Paris in ages and will probably retire the system soon.

That being said I check in once a day to see what's new.

Hi gang,

I check in every other day or so. Still love the Paris sound.

And I've come crawling back, looking for advice, as usual... Glad to see there's still a forum, even if it ain't exactly crowded...
