...well, not quite to win an oscar, BUT I'm proud to say that I made Sound Effects, editing and MIX for the official OSCAR 78 show opening short movie.

It's an quite BIG project with more than 100 tracks, all edited in Vegas and mixed in PARIS, all in my little studio.

Last year, I composed the music too, but whole thing was canceled because of some screenplay stuff...

I hope you'll watch it tommorow.

Thanks for all your support over the years!

Cheers!
