Why in da heel can't people learn how to make videos... Not one mouth matched the sound... that just drives me batty! I can' watch it like that... They make tools to calculate the rendering and such.. I wish people would use it...

Otherwise, very stunning news... Why don't they enforce their own rules... instead of sitting on youtube watching it... *shakin head* Must be Texas... lol.

Just a reminder, some of us have young'uns looking over our shoulder at times. Could we keep the explicit profanity out of the subject line?

Muchas Gracias,

Jeff

John,
Just a courtesy request on the subject matter in the subject line. The body of the message doesn't show in thread lists.
