>jc@nonstopsound.comHi,

I'm considering selling my absolutely MINT Bundle III+. I've only used this in my private home studio (ok, "bedroom"), it really is in new condition.
The list is:

The Bundle III
1 x EDS-1000
1 x Control 16
1 x MEC

Plus:
1 x 8 In card
1 x EDS-

1000X

I know it means little now, but I paid in excess of AUD\$10,000 for this

setup!

Anyway, I live on the Gold Coast, Qld, Australia. So if there's any Aussies out there who are interested, please feel free to make me an offer...

(1) 24 bit Input card	\$325 (5) now \$SOLD
(1) Black Face MECs	\$225 (missing two face plates)
(0) Control 16	\$SOLD (Thanks AGAIN Don!)

I have some other various studio things I'll be posting shortly.
Don't have much time at this second.

Jay
