Hi guys.

I was a long time user of PARIS (one of the few rigs in Australia) but have since moved on to another system.

I have a ton of PARIS gear available for sale for those who might be interested (esp. if you're in Australia) including MEC's, 8-ins, 8-outs, EDS cards etc..

PM me if you're interested and we'll work out a deal.

Henry (aka manic)
