Subject: Do The New Paris Driver(s) Work?
Posted by LaMontt on Tue, 09 Dec 2008 18:13:16 GMT

Hey everyone, been away from the forum. I've notice that new Driver(s) has
been coded for Paris. Before I part with any money, I need to know the following..

1) Do they work?
2) Stability
3) What OS's are supported? XP-Pro, SP2, Sp3, Vista Ultimate?

Thanks
