Hey, all. Haven't been here in a while, and just remembered there are (or used to be) several Great River and Sytek aficionados here. I listed mine on eBay a couple of days ago since I really only compose and orchestrate now and hardly ever record actual people

Anyway, here are the auctions. Great River MP2-NV, Sytek MPX-4Aii, Furman power conditioner, Presonus Firestudio 2626, Rane HC6, Dell 24" monitor. May sell a couple of mics sometime soon (EV RE20, 2x AT 4050, original Rode Classic) and an FMR RNC. Let me know if any of those are interesting.

As you are my Original PARIS Pals™ and until there are bids, I can be flexible on the prices of the items listed on eBay.
