I remember a couple of years back a bunch of guys off here were starting to record something by posting disks around...

....did anything get finished? I never heard anything.

Cheers,
Kim.

I've tried this twice here - no end result... always crapped out before it got beyond a couple of parts. DeeJ tried it too, I think - or if not him it was someone else who initiated another one.

Cello . . . ? (ears stand up) . . . Uh . . . you don't live in the Portland
area, do you?

I have an ASR-10 and a decent cello sample, and I'm only on the other side
of the globe...

....in case you need me...

....oh, better buy your CD! :o)
