Howdy all.

Sad but exciting moment has arrived. My last Paris tracking happened tonight. Six years Paris has been a loyal friend to me, but its time to move on.

My Pro Tools rig has arrived, and Im setting it up this week. I bought a Pro tools HD3 accel PCI-e rig, with a control 24, and a dual 2.0 G5. Hence the excitement.

paris has treated me well. Ive done a number of records on it that have done quite well here in Australia. I have won Engineer/producer of the year for the last 2 years here in Western Australia, and I truly believe Paris added something to my sound that other digital studios couldnt achieve.

I am keeping my Paris rig, cuz i cant entirely let go yet.

Cheers to ya all.!!!

Dave
