I feel like a kid going to my first concert! Cannot wait to see tonight's show.

I'll post with some comments in the next couple of days.

Have a great weekend!

Hey folks,

Wanted to say that RTF Friday night in Portland was the most amazing show I've seen. I loved their music way back when but to see it performed with the maturity Chick, Lenny, Al, and Stanley now possess, it was absolutely phenomenal. One of the very best sounding shows as well. Great job by the sound guys.

I highly recommend this experience. GO!

Hey Mark,
I'd love to see that show too! They must have been great.
Were they electric all night or did they do some acoustic too?

Hey Tom,

Stanley's solo was on an acoustic upright and Al's solo was on an acoustic
Ovation steel string.

BTW, Stanley's hands are SO large that they made the neck on his 4-string
electric look like a toothpick!

Chick's solo was on a geetar and he did a call-and-return sing-along with
the audience. It was really cool and he was very impressed by how well everyone
at the show could sing in tune. Now if only all the singers I work with would
follow suit!

Still flabbergasted as are all my friends who attended.

Highly recommended show!

Can't wait for them to get here. Bernie Kirsh is Chick's engineer and
has been for 30+ years.
