r bussing say dsrumtracks to a cmpressor =  
and not need  
>to have also the dry tracks playing.  
>In that situation no wrapper needs for senderella.  
>But for full use and potential senderella needs to be wrapped  
>  
>6. Wrappers that can be used are the FREE Spinaudio lite  
=  
> [http://www.spinaudio.com/downloads.php?download\\_type=3D3&download\\_id=3D3=](http://www.spinaudio.com/downloads.php?download_type=3D3&download_id=3D3=3)  
3 which  
>can wrap ONLY one VST plugin.  
>So here you can wrap one instance of senderella and use it as =  
send for  
>reverbs.  
>If you buy Spinaudio ofcourse you can have as many plugins =  
wrappe
