Greetings,

The following is a new listing, but is also an edited/updated listing from February 2021. Some items have sold but Items listed below are still available!!!

After many years, I have to let go of my PARIS gear. Unfortunately, but fortunate for you, I would almost guarantee at this point you will not find PARIS hardware in more excellent condition, like-new condition, as little used, as clean, with fewer hours on it than what I have to offer. Items have been boxed, on a shelf in my home, for most of their life. Only 7 projects were ever completed on this bundle. After many years of health issues, job loss, and financial troubles, among other life adventures, it never really got used. I even had 2 houses built over the years with physical modifications to the basement to facilitate a studio which was never built. I simply need to sell what remains.

The Control 16 has had very little use, so a little more \$, but I think reasonable. There is a picture above of the lot (again, some items have sold), however, you can follow this link to see many pictures of the individual components and read my story if you wish. <https://www.dropbox.com/sh/w2s3o1lqq9jh4u2/AACPbkPicgRuoz6m9GVXuH0Fa?dl=0>
(Note: after reviewing the pictures I did notice the foam I used to display items evidently shed some dust and lint on the black items...not scratches!)

REMAINING ITEMS:

1	CONTROL 16	\$110	
1	MEC	\$100

If interested, please PM or contact me at senseartstudio@gmail.com

Please let me know what you think, ask questions, make offer, or make an offer on the lot!

Gary
