Ok, we have Prop 90 on the ballot here in California.

It is an anti eminent domain initiative.

Here's what's reallt weird.

Check out the "yes on 90" site.

<http://www.yesprop90.com/>

Now check out the "no on 90" site

<http://www.noprop90.com/>

Same models. Same pictures, same graphics, same layout.

Very strange. Steve, have you seen this? Anybody else have an idea?

Strange...

No I had not seen those!

I first thought the "yes" site was a parody, but it's links look legit. Perhaps someone took the "yes" site and rebuilt it as a "no" site.

On the other hand, the "yes" site has this, which is pretty darned funny:

<http://www.yesprop90.com/confusing.html>

-steve

On the other other hand, the No site has a quote from, of all places, the Napa Valley Register, never a very stellar paper in my opinion, and I've lived in Napa my entire life.
