gned to reverb return on =
tracks.

>

If I could only wrap my head around all of this I'd be all set. The =
first time you posted
about Senderella and Chainer I used it for a while then my C drive =
became useless. I'm
still not sure why. I'm afraid to try it again now but that's just =
me. I think if I can
understand it clearly I'll be able to implement it more easily. =20

You are helping me with this explanation and it's appreciated =
greatly.

Thanks for your effort once again,
Tom
