I just found a bunch of old Paris manuals, Paris CD's and I think the Brian T CD is in there too. I'll have to look through all of this to see what's there but it's free to whoever wants it. You just pay shipping.

Dude, I want it! I'm in Hurricane, Utah. Let me know how much postage to send, and I'll get it to you asap. I'm leaving town for Idaho to do some shows, but I will be back on sunday, let me know! Thanx, John

Let me check and I'll get back to you on shipping. Shouldn't be much. If you're up around Sand Point Idaho, say hi to Fred Forssell for me.
