For DeeJ and Aaron (who came out to see me play with Ten Tiers on the world's smallest stage), here are some pics my wife took this weekend when we did an outdoor concert on a more generous stage in downtown Denver.

A beautiful day and a very fun show. Our second outdoor concert of the weekend (we also did one up in Cheyenne WY).

I love summer shows (OK it FEELS like summer here)!

Cheers,

-Jamie

Nice pics Jaimie. Looks like you guys were having some fun. I was very impressed by the band. Good songwriting, plenty of talent and tight arrangements. Loved your guitar and fiddle playing. I couldn't believe what a balanced sound you guys had in that little postage stamp area at the club without a FOH guy and wedgies.....sounded like you had a FOH guy and wedgies, actually.

;o)
