Would love to hear some of that. Are those frets made of wood?

Rich

Super nice. He even has those Eddie Van Halen tape stripes.

When I was growing up there was a wonderful Calypso band in Bermuda called the Talbot Brothers. Roy Talbot's "dog house" bass was made from a meat-packing crate and a thick broom handle, with a single fishing-line string. It bears the signatures of Babe Ruth, Bing Crosby, Tommy Dorsey, William Holden, Eddie Duchin, and many other celebrities. He'd just walk up and down the one string.
