several of you guys have contacted me about single pieces. I apologize, but I really don't want to deal with single pieces ... I really just want to get rid of the whole thing..So, let me just put a price tag on this, to make it a little easier.

How about \$1200 +shipping for the whole deal.

Here is the full list again:

1 x Mec

1 x 442

4 x Adat ards

5 x 8-in

1 x 8-out

5 x C16

4 x EDS Cards

3 x EDS
