Well it may not look like it in this pic, but I can tell you that Kerry and Mike were working over dinner to get the Forum back up and running.

Kerry Galloway was in town at our annual blues and jazz festival playing bass with Gabriel Palatchi, and Mike Audet drove the 2 hours west from his home town so the 3 of us could all meet face to face after years of online interfacing. What a great day.

BTW - Kerry is one very accomplished musician!

Ted and Mike, it was really an enormous pleasure to hang and have a beer after all these years of knowing each other virtually through the forums! Thanks so much for setting this up, it was really a high spot of my tour. And here's to the next time!

- Kerry
