I have

3 X In (black)

3 X Out (black)

3 X MEC (2 blue, 1 black)

? X EDS-1000 (I'd have to look around to see how many)

All of the above are \$100 each plus actual shipping cost.

Also,

2 X C16 (1 blue, 1 black. The blue one may have a fishy button somewhere, can't remember. I know when I stopped using the system 4 years ago I was using the black everyday)

2 X 442

These are \$50 each plus actual shipping.

Thanks, Roscoe
