Hi all,

I'm looking for an IF-2 (preferable) or 442 to access some old Paris projects as most of my gear is half a world away for the indefinite future.

I'm in Singapore and would pay for shipping; ideally via USPS air insured (used many times without issue). I can pay via PayPal.

Please let me know what price you're looking for.

Thanks,

Matt.

Hi John,

I sent you an email the other day. Did you receive it?

Cheers,

Matt.
