There, fixed that for you. ;^)

When both the Democrat and Republican presidential candidates recognize the science behind our current climate change event, it means the denial industry has to really crank up the volume in order to try to drown out the facts.

Cheers,
-Jamie

That was your second mistake. ;^)

See you there...

Cheers,
-Jamie

And both are trilateralist in the pockets of the world bankers, and yes,
lets take it to the general NG.
