All right Rockers.

Question:  
Who can name the three people in this photo with me?

that you do not copy this.

I'd guess Randy Rhoades, because that would be 3/4's of Quiet Riot prior to him leaving for Ozzy, but I've never seen him without spiked hair & eyeliner,(or smiling), so I'd just be taking a wild stab at it.

The hair was wild. And look who is also sporting beads. In my defense the beads were a gift from a very attractive young woman.

Some things you remember regardless of how many years pass.

Based on the visual evidence, I'd have to ask - How did you keep your hearing?

No. The third guy is well known and successful in our business, but not his face. Plus he looks the least like he did then, now. We were all thin because we had very little money for food.
