New song, just tracked and mixed in Paris. I wrote this one for my oldest daughter's funeral, so it's a special song for me, and a sad one. Paris sounds fantastic, and I tracked it on my Yamaha C3, and my old analog Hammond Organ, with a Cajon for the Low end, and brushes on snare.

Looks like you have to "copy" the link, then "paste" it in the YouTube search window. Sorry. I will try to figure out an easier way
