I've worked with Black artists all my career-Luther Vandross,Miles Davis,
Chaka Khan,Marcus Miller and I don't mean for a couple of hours.I considered
and consider these people good friends.I listened to Miles tell me stories
about

being a black musician and touring the south so I can just say

to you DC whoever the Fuck you are (as Suzy Greene from Curb Your Enthusiasm
might say)You know nothing about me or my history.

should realize we are on the Grid that includes

unbelievable healthcare costs money Bleeding into Iraq and most

people including myself working 12-14 hgours a day to pay the bills. This

country is dividing quickly into the have and have nots. I'm not thrilled

with Democrats either. They are a Bunch of wusses. The only difference is

they a slightly less scary than

these neo-crats ruining our country
