Hi Stefan

Good to hear from you. Hope you're well. I still remember a great tune you shared with the community years ago (can't remember the name tho... it'll come to me tomorrow).

The Paris DVD was actually made available for free to anyone who wanted it about a year ago. IIRC about 60 took up on the offer.

Best

Ted

Thanks, Ted.

I'll guess it was one of Baja, The Shallow People, Girl in the Curl, or The Ballad of Doctor Bud... (Mastered by Sakis!)
